Administration Accepts New School Addition

Under the leadership of Supt. Loy Marshall, the Forest Grove combined elementary and secondary districts continue to grow. The addition of a new south wing added improved facilities to our school. Included are a new art room, reading lab, language lab, large double class rooms, D.E. rooms, counselling offices and a large modern typing room. These facilities place our school in the inevitable position of having a well rounded and fully adequate physical plant.

Counselling

Modern counselling conveniences were added this year in the new wing giving a private office to each counsellor. Counsellors, Ken Bond, Vernon Anderson, Eunice Pope, and Jeannette Saucy, gave counselling assistance throughout the year to students with social and emotional problems, as well as advising each student as to what further education they should pursue.

Student's varied interests and abilities are revealed through tests conducted by the counselling department.

Fine Arts

Art and music help to create a cheery atmosphere throughout the halls of FGUHS. Art classes have created colorful mosaics for the entrance hall of the new wing. Modern conveniences are apparent in the new art room addition. Band and choir activities won the popular demand of the student-body this year and exposed students to both traditional and contemporary music.

Library

Library Practice offers training in library operations such as lettering, mending, and filing. The five thousand books, sixty magazine subscriptions, pamphlet files, occupational files, and maps provide educational opportunities for all students. A staff of twenty-three students maintain and operate the library under the direction of librarians, Marguerite Clark and Elburn Cooper.

Senior students of Mr. Bliss's American Problems class utilize the Library.

Vocational Agriculture

Because Forest Grove is situated in a farming area, our Vocational Ag. is a popular course. The boys who take this course are able to apply many of the things they learn on their own farms. Thus improving farming methods and production in the community.

Fall Student Council Sponsors Cleanup Program

Of main concern to the student council is the amount of litter and debris scattered about our campus by students. The council held many meetings in an attempt to solve this problem. Trash cans were placed in strategic litter areas and an all-out campaign instituted. Suggestions by students were also honored and discussed at meetings.

Active Honor Society

Tutors Students

Chosen by the faculty for their scholastic ability, citizenship, character, and leadership are the Honor Society members. Under the guidance of Loyd Whitcomb, their advisor, they sponsored a successful tutoring service. The induction of new members differed from past in that Reverend Boosinger spoke on the four qualifications of Honor Society, which proved to be effective.

FFA Donates Bicycle Rack to School

FFA provided a bicycle rack for those students, whose transportation to and from school is by bicycling. Another service from FFA was the placing of trash barrels on the campus.

Each year at the district contest members participate in contests consisting of shop, speech-making, farm management, parliamentary procedure, and soil judging. Members also participate in the county and state fairs, where they judge as well as compete in the various FFA activities.

Future Farmers found it hard to make points in a basketball game, especially when riding a donkey. The donkey basketball game was an entertaining activity of FFA, losing this year to the Letterman's Club.

Distributive Education Places Students

Distributive Education is open to any junior or senior student interested in obtaining future job experience. All of the members attend school part of the day and work at various jobs the remainder of the day.

The DE State Leadership Conference is one of their many activities, in which members are required to participate. This year they had full attendance at the conference. Second place trophies were awarded to Marti Phillips, Mike Wyatt, Leanna Morton, and Suzie Vanderzanden, and third place trophies were awarded to Suzie Vanderzanden. These trophies were awarded for outstanding performances during the year in various areas.

Added to the list of activities are money raising projects. Members worked in the concession stand during football season, sold Christmas wreaths, and sponsored a spaghetti feed. With their profits, the club donated to needy families during the Christmas holiday season.

Leadership and future job experience are obtained by being a member of this club. It is a valuable educative contribution of our school.

Operating the telephone switchboard and totaling the absentee list are other duties.

Loss of Books Hinders Library Efficiency

Repairing old books, labeling new books, and filing and cataloging are the duties of the students enrolled in Library Practice.

Inventory each spring is a monumental task involving the counting of some eleven-thousand volumes of the library. There are over one thousand books a month circulating in the library. Each student checks out one and a half books a month, approximately.

The main problem that hinders library efficiency is loss of books. Almost three-hundred dollars worth of books are lost each year. Due to this, the library fund cannot afford some new editions which are vital in keeping our library up to date.

Band Performs at Seattle's World Fair

Under the direction of Elburn C. Cooper, the band was the Band Of The Day July 6, 1962 at Seattle's World Fair. Other outstanding bands from the Pacific Northwest were also chosen for this honor. Contributions from the public, a car wash, and two public concerts made it possible for the band to take a two day trip to the World's Fair.

Performances at home football and basketball games encouraged our athletic teams to many victories. Led by the majorettes the band entertained at football games and presented a special program for homecoming. An important segment of the overall band is the French horns.

Rules 1962 Homecoming

Eleven lovely princesses were tapped in a student assembly on September 28, 1962, by student body president, Dave Schmidlin. Thursday evening the royal court was escorted through an exotic scene of "Autumn Enchantment" to await the coronation of the queen and her crown princesses. Under a glowing silver moon, Queen Lorraine Muhly shed tears of happiness as she ascended her "Autumn Leaf" throne to reign over the 1962 Homecoming.

Majorette Pat Allen and the high school band led the serpentine on Friday afternoon. Popping of Viking-stamped paper bags started the Vikings off for a 42-0 victory over TYV rival, Newberg, Friday evening.

Juniors, Sharon Henderson and Larry Brizendine, were co-chairmen of the Homecoming activities.

Outstanding Senior Receives Tom Keller Award

Dave Schmidlin was announced as the fourth recipient of the Tom Keller award. The award is given annually to the most outstanding senior in memory of Tom Keller, a FGUHS student, who was killed in a hunting accident in 1959. Dave has shown outstanding scholarship, leadership, citizenship, service, and sportsmanship. Active in school activities, he has served as student-body president during this past year. He plans to attend the University of Alaska and major in fish and game.

Students Enchanted by "Isle of Enchantment"

Ed McFarlane and Larry Brizendine, co-chairmen, coordinated the work of seventeen different committees for the Junior-Senior Prom.

Under a billowing ceiling of red and white parachutes, an island setting was created. Palm trees and two waterfalls were used as a background for the stage. A golden moon shone over islands painted on one wall, giving a special effect. A large volcano, tropical birds and flowers decorated the other wall. The entrance to the gym was through a small bamboo hut. Tables were decorated with miniature islands. A large group of students and faculty enjoyed, "Isle of Enchantment."

Ruthie Rux, shown with her escort, Sam Juncker, became queen of the week-long 1962 Junior Red Cross Drive. An enthusiastic Junior Class was instrumental in placing her on the coveted throne.

Junior Red Cross, under co-chairmanship of Laurie Collins and Darlene Jensen, held the annual Red Cross membership drive. The junior class, having raised the most money, won the throne for Queen Ruthie Rux.

Colorful circus tent sets the stage for the twenty-three member senior play cast.

"J.B." Challenges Senior Play Cast

"J.B.," the 1963 senior play, was staged in the Little Theatre under the direction of Bob Klenke and student directors, Sharon Herbert and Mary Mason. Two circus peddlers, Gay Wood and Mike Cowan, make whimsical use of a circus tent by playing God and the Devil. J.B., played by Dave McGlasson, is Archibald MacLeish's counterpart of the immortal Job.

Thespians named Gay Wood as best actress of the year, Dave McGlasson as best actor, and Nancy Jeannin as the best supporting actress.

Darrell Slabaugh (Zophar) "sympathizes" with J.B. by telling him the reason for his punishment. He says, "Your sin is simple. You were born a man!"

Gay Wood (Nickles) insists to Mike Cowan (Mr. Zuss) that J.B. would not be such a "good" man if he were not so wealthy.

Together in their sudden poverty and loss of family, Dave McGlasson (J.B.) and Darlene Jensen (his wife) discuss their situation.

"Mouth and meat by grace amazed God upon my lips is praised," proclaims Darlene Jensen, J.B.'s wife.

Student Learns American Traditions

Lerma Lasala, Phillipine national and bearer of a generous smile, completely captivated a charmed Forest Grove student body, leaving us with a more learned idea of her native country and a more sympathetic view of less developed countries than our own. Her beaming smile and quick wit quickly won the hearts of all of us. We're sorry she can't stay longer. It was difficult for her to become adjusted to us and to our strange ways. We watched her progress and were pleased to see her become one of us. When she returns to her native village, she will take new ideas and concepts of our democracy and way of life. As she has enriched us, perhaps we have enriched her.

Vikings Make TYV All-Stars

Four Vikings were chosen as finalists for the TYV All-Stars, a team selected by league coaches. Chosen for the first offensive team were: George Hines, tackle; Al Culver, guard; and Harry Farr, fullback. Chris Kirby was selected for the first defensive team. Six other Viks recieved honorable mention. John Minor, Dave Frederick, Rod Crippen, Darrell Slabaug Gary Heisler, and Ed Cowger.

Forest Grove's opening game with St. Helens was a disappointment as the Lions emerged with a 23-13 win. Two seniors, Gary Shumm and Harry Farr, scored the Viking touchdowns.

In the Oregon City game F.G. was defeated. The Pioneers went on to become TYV champions. Viking scoring leader, Harry Farr, scored the only home team touchdown and extra point.

A week later, in a close 14-7 game, West Linn overcame the Forest Grove eleven. The local team saw hopeful action when Dave Frederick went 43 yards for the teams only touchdown.

Forest Grove showed offensive power with a 42-0 victory over Newberg. This was the seasons first win. A Homecoming audience witnessed an outstanding display of running and passing.

In a storm-postponed game, Forest Grove won handily over Dallas, 21-6. It was the Viks second consecutive win.

Forest Grove's optimism was shattered in the October 25 game with Tillamook. Tillamook won 25-12.

At Oswego, two Viking aces, Harry Farr and Chris Kirby, scored Forest Grove's points in the first half. The Viking offense looked good, although Oswego won 33-27.

For the third win of the season the Vikings came out with a 13-0 upset win over McMinnville. This was the first victory for the Viks over McMinnville since 1959.

The last game of the season saw two high-spirited teams meet on Tigard's field. No touchdowns were scored the first half. Tigard out scored the Vikings 14-6 in the second half to win the game.

Track Team Completes Season

The 1962-63 Track season showed the Vikings losing. At the TYV League Western Division Meet held at Forest Grove, the Vikings managed to obtain third place. This meet included Dallas, McMinnville, Newberg, Tillamook, and Forest Grove. Five Maroon and Gold representatives qualified for the District Meet held at Monmouth. Tom Johnston, the Viks' only 10 point man, took first place in the javelin with a 148' 10" throw. Charley Bushong placed fourth in the shot put with a 45' 4" heave. Mike Cowan received a timing of 2:07.6 in the 880, thereby qualifying with a third place. Also qualifying for District was Dave Clark, who placed fourth in the mile with a 4:51.5 timing. Stan Rickard, the Forest Grove high point man, was the only senior to qualify for the District Tournament. He finished the high hurdles with a fast 15.9, seconds, leaped 19' 31 1/2" in the broad jump, and made the 880 in 53.9, all of these being third place finishes in the Western Division. These boys represented Forest Grove in the District Meet, which determined participants for the State Meet; none qualified.

Vikings Finish Successful Season

This year the Vikings ended the Western Division play with a clean 8-0 record. Bob Cammann pitched the Viks to victory at the Division clincher with Newberg. The Viks won the Western Division title without the benefit of a home game because of wet fields. Throughout the season Ed Cowger and Burl Oliver served Forest Grove as a terrific pitching duo. In the TYV League playoff, with Oliver starting and Cammann finishing, the Oswego Lakers topped Forest Grove for the TYV crown.

Three choices are offered to participants in minor sports: cross-country, golf, and tennis. Cross-country develops stamina and helps prepare prospective trackmen for the track season in the spring. FGUHS golfers have an opportunity to develop skills on the green and the sport helps those who might lack in athletic abilities in other sports to develop self-confidence and coordination. Tennis gives girls whose desires are athletically inclined a chance to participate in a healthy vigorous sport.

"So I say to you, mighty senior, this has only been a passing phase. There are greater and finer things to come....."

Tom Taylor adjusts Nick Van Dyke's tie as they prepare for their final school function and the last and most important event of four years.

Mick Fredericks and Gary Shumm take off their robes to signify the end of the graduation ceremony and the culmination of their high school careers.

Dear Alan, I must admit
we've had lots of things
together and we've never
been quite a few never in you
before or you ought to "talk"
while we seemed to ever
always of what were so
me wrong for into me
good far into me to do
out of wanted to practical
you going that all
seeing that all
consequently that all
suppose things end
good to a relation
come to a relation
must out never
forget all these
sweet, lovely
words you've
so very good
at telling me
at telling me
simplest than
I know that
you didn't
mean it
when all
with love
my Carol

Alan,
knowing you have been like
having a big brother. We always
seem to be fighting or arguing
about something. It's been
loads of fun though! Don't
be too mean to Joyce. You're
real sweet and a swell man.

Joan
